

This the Arizona Public Health Association in Convention Assembled in Phoenix,
Arizona on April 19, 1941, do hereby resolve:

Whereas, The Luke-Greenway Post of the American Legion has contributed to the success of this meeting by furnishing meeting place, luncheon facilities, and dance floor, and;

Whereas, The City of Phoenix Health Department has generously provided the financial success of the convention by providing for the printing of programs and making local arrangements, and;

Whereas, Westward Ho Hotel has provided meeting places for several section meetings, and generously provided their services, and;

Whereas, Dr. Joseph D. Aronson of the Phipps Institute of Philadelphia, Robert J. Lenhart, Chief of Field Information, Dept. of Vital Statistics, Washington, D.C.

Dr. E. Warner, Senior Surgeon, U.S. Public Health Service, Nathan Sinai, D.P.H., Professor of Public Health, Univ. of Michigan,

have through their generous donation of their time and talents, assured the success of this meeting, and;

Therefore be it resolved, that the Arizona Public Health Association extend their deep appreciation to these individuals and organizations for these services,

Dr. R.M. Matts, Chairman

M.E. Caldwell, Ph.D.

Jefferson Brown, PH.D.
